Subject: California Public Records Act Request: La Mesa Ring

La Mesa, CA Police Department
PRA Office
8085 University Avenue
La Mesa, CA 91942

September 30, 2019

To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

Public reports state that this police department has partnered with Ring, Amazon's home security company. (<https://blog.ring.com/2019/08/28/working-together-for-safer-neighborhoods-introducing-the-neighbors-active-law-enforcement-map/>) These partnerships involve an exchange: Law enforcement gets access to Ring's "Law Enforcement Neighborhoods Portal." The Law Enforcement Neighborhood Portal is a way that police can request Ring camera footage from people that use Neighbors, Ring has a "neighborhood watch" app.

Therefore, I hereby request the following records:

1) All instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other guidance on the use of Ring devices and/or the Neighbors app. This includes A) any notes taken during meetings that discussed the use of Ring devices and/or the Neighbors app, B) any explanations (whether internally or externally generated) of how Ring devices and/or the Neighbors app work, and C) any other document that has been used to help explain the use of Ring devices and/or the Neighbors app to any party, including internal documentation, public relations materials, and executive summaries.

2) A copy of any privacy impact assessments, use policies, standard operating procedures, data retention policies, legal opinions, warranties, non-disclosure agreements, contracts, liability waivers, insurance agreements, Requests for Proposals, Responses to Requests for Proposal, Memorandums of Understanding, Letters of Interest, usage policies, or informal agreements between the police department and Ring.

- 3) A copy of any funding opportunity announcements, grant applications and grantor status/progress reports, reports to legislative bodies, annual reports that mention Ring or the Neighbors app, as well as audit records, including but not limited to security audits of the software, misuse reports, and reports to oversight bodies.
- 4) Any digital communications including but not limited to emails and text messages) as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention Ring or the Neighbors app.
- 5) Any digital communications (including but not limited to emails and text messages) with Ring representatives.

Please try to include any other miscellaneous documents that facilitate this police department's relationship with Ring that don't neatly fall neatly into the above categories.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. It will be used in the course of reporting for Motherboard, VICE's science and technology website (www.motherboard.vice.com).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Caroline Haskins

Vehicle break-ins

In the overnight hours of Sunday, Nov. 18-Monday, Nov. 19, unknown suspect(s) broke in to 12 vehicles on the following streets: Peartree Way, Green Meadow Drive, Red Stream Way, Gray Star Way, and Little Patuxent Parkway. In some cases, a window was broken; in others, car doors were left unlocked. Only loose change was reported stolen. If you have any information, call [redacted] at 410-313-3700. You also are encouraged to check your doorbell cameras to see if they captured anything during this timeframe.

Neighbors Portal Reference Sheet

Quick Start

**For an optimal experience, please access the Neighbors Portal using Firefox or Chrome.*

First time logging in:

1. Check your inbox for an email from **Ring Team**
2. Click **Join Portal**
3. Follow the prompts to create your account
4. Bookmark <https://nw.ring.com/> for quick, easy access to Neighbors Portal

Returning users:

1. Using either Firefox, or Google Chrome, go to <https://nw.ring.com/>
2. Enter your login credentials

Key Takeaways

1. **Engage on Portal.** The more your community sees your involvement, the more effective Portal features become when interacting with them.
2. **Join an Alert Zone.** Let us deliver the most important crime related posts directly to your inbox. Joining an Alert Zone is easy:
 1. Sign in → click the blue profile icon in the upper right corner → My Profile
 2. Click **Select Alert Zone**
 3. Choose an **Alert Zone**
3. **Anyone Can Use Neighbors.** Neighbors is a free app that anyone can download and use. Portal grows in value with each resident that downloads the Neighbors app.

Questions?

For technical support and/or feedback, contact your Account Manager **Kyle Demmin** at kyle.demmin@ring.com or 714-381-6291.

Special Offers for Law Enforcement

1. Download the Neighbors app for free at download.ring.com/lamesa or text **lamesapd** to **555888**
2. Get **\$50 off** of eligible Ring Video Doorbells, Security Cams, and our Ring Alarm when you shop at Ring.com. Use discount code: **NBLAMESA** and be sure to check out using your department email address (example@ci.lamesa.ca.us)

*Discount does not apply towards accessories and/or already discounted devices, including but not limited to Ring Video Doorbell Classic

September 30, 2019

To Whom It May Concern:

Pursuant to the California Public Records Act, I hereby request the following records:

Public reports state that this police department has partnered with Ring, Amazon's home security company. (<https://blog.ring.com/2019/08/28/working-together-for-safer-neighborhoods-introducing-the-neighbors-active-law-enforcement-map/>) These partnerships involve an exchange: Law enforcement gets access to Ring's "Law Enforcement Neighborhoods Portal." The Law Enforcement Neighborhood Portal is a way that police can request Ring camera footage from people that use Neighbors, Ring has a "neighborhood watch" app.

Therefore, I hereby request the following records:

- 1) All instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other guidance on the use of Ring devices and/or the Neighbors app. This includes A) any notes taken during meetings that discussed the use of Ring devices and/or the Neighbors app, B) any explanations (whether internally or externally generated) of how Ring devices and/or the Neighbors app work, and C) any other document that has been used to help explain the use of Ring devices and/or the Neighbors app to any party, including internal documentation, public relations materials, and executive summaries.
- 2) A copy of any privacy impact assessments, use policies, standard operating procedures, data retention policies, legal opinions, warranties, non-disclosure agreements, contracts, liability waivers, insurance agreements, Requests for Proposals, Responses to Requests for Proposal, Memorandums of Understanding, Letters of Interest, usage policies, or informal agreements between the police department and Ring.
- 3) A copy of any funding opportunity announcements, grant applications and grantor status/progress reports, reports to legislative bodies, annual reports that mention Ring or the Neighbors app, as well as audit records, including but not limited to security audits of the software, misuse reports, and reports to oversight bodies.

4) Any digital communications including but not limited to emails and text messages) as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention Ring or the Neighbors app.

5) Any digital communications (including but not limited to emails and text messages) with Ring representatives.

Please try to include any other miscellaneous documents that facilitate this police department's relationship with Ring that don't neatly fall neatly into the above categories.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes. It will be used in the course of reporting for Motherboard, VICE's science and technology website (www.motherboard.vice.com).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 calendar days, as the statute requires.

Sincerely,

Caroline Haskins

To: 'Kyle Demmin'
Cc: Gregory Runge
Subject: RE: Ring POC Intro

Hi Kyle,

I have cc'd the PIO, Lieutenant Runge to the email. I will work on getting that shape file for you but had a couple questions on that. What type of geography of the shapefile are you looking for? What mapping feature, street file, building file?

Thank you!

Best Regards,

Claudia

From: Kyle Demmin [mailto:kyle.demmin@ring.com]
Sent: Wednesday, February 06, 2019 5:05 PM
To: Claudia Ortega
Subject: Re: Ring POC Intro

Hi Claudia,

Thank you for connecting with me earlier! Recap below as promised (apologize in advance for the lengthy email):

1. Onboarding

a) Projected Date: **March 5th, 2019. Time to be determined.**

Recommended schedule below:

Session 1 (60 minutes): Neighbors Feed & Law Enforcement Portal Training

Attendees: Head POC, PIO, Existing social media users, Detectives, Crime Analysts, General (open to anyone in department)

b) Scheduling - I'll be sending over a calendar invite as a placeholder. Once confirmed, please send out your respective internal calendar invites to the team and copy myself.

c) For the day of onboarding, I'll just need a room that has access to a projector/TV with an HDMI connection.

2. Portal Requirements

a) Account Provisioning - Attached is an Excel doc outlining what's needed to provision users. Please add everyone that would potentially need an account and send it back my way before the scheduled onboarding. Please note that accounts will NOT be provisioned until after the onboarding and that I will confirm the final provisioning list with you before doing so. Please let me know if you have any questions on this!

b) Browser Compatibility - Portal is compatible with Chrome and Firefox Please refrain from using Internet Explorer or any others not listed above.

3. Miscellaneous

a) Seed Units - I will be sending 10 donation devices to Claudia Ortega's attention to: 8085 University Ave, La Mesa, CA 91942 and follow up with a shipping confirmation as soon as I receive it!

4. Next Steps

Once you have tracked down your department's shapefile, can you send that over to me?

I'll be working with our operations team to get La Mesa PD Portal created, and I will send over login information for you once completed. This will help provide more context for the day of onboarding.

Finally, I forgot to mention on the call, but would it make sense to introduce myself to Lieutenant Runge? I want to loop in our PR Coordinator, Morgan, for some additional items/asks that will be PR-specific. Let me know what works best.

Thank you again for your time earlier and let me know if I forgot anything!

-Kyle

On Wed, Feb 6, 2019 at 11:09 AM Raymond Pollum <raymond.pollum@ring.com> wrote:

Claudia, Nice to hear from you. As mentioned, I want to make a quick introduction to Kyle Demmin who is charged with onboarding La Mesa Police Department and will be your point of contact going forward. Kyle is one of our senior account managers at Ring who works with agencies during the onboarding and then ongoing support when needed.

Because of some of the delays on our side, I've asked Kyle to fast track the onboarding for La Mesa. I've also provided your contact information to him and will ask that he reach out to you directly. His contact info is below if you need to reach him prior:

Kyle Demmin, Sr. Account Manager

Phone: 714-381-6291

Email: On Copy

Thanks again Claudia for your support and patience. I'm looking forward to hearing great things from La Mesa as we work together to reduce crime in the community.

Sincerely, Ray

Okay, sounds good!

I know I said early afternoon but does 11:00 am work? They are driving down from LA.

Sounds good! Since so many people are involved, let's try and get a meeting invite to everyone as soon as we can.

Thanks!

Greg

Yes, sorry the 5th.

Yes, he wants to train the users.

Okay, I will figure out if he can do early afternoon that day. Also, Erin and I can be at the training?

Thanks,

Claudia

Do you mean the 5th?

Is this a "Train the Trainer" type event? About how long?

I would invite:

Me
Captain Sweeney
Christine
Amber
Shelby
Sgt Perry
Sgt Raybould

Thanks!

Greg

Claudia, Nice to hear from you. As mentioned, I want to make a quick introduction to Kyle Demmin who is charged with onboarding La Mesa Police Department and will be your point of contact going forward. Kyle is one of our senior account managers at Ring who works with agencies during the onboarding and then ongoing support when needed.

Because of some of the delays on our side, I've asked Kyle to fast track the onboarding for La Mesa. I've also provided your contact information to him and will ask that he reach out to you directly. His contact info is below if you need to reach him prior:

Kyle Demmin, Sr. Account Manager

Phone: 714-381-6291

Email: On Copy

Thanks again Claudia for your support and patience. I'm looking forward to hearing great things from La Mesa as we work together to reduce crime in the community.

Sincerely, Ray

Right now, it's us analysts, supervisors, investigations, and a handful of motivated patrol officers. We are not giving them their CAD data. No idea why they bothered asking!! They can use our crimemapping data lol. Do you use the free app? We use that too for our city.

Subject: Ring Meeting Follow-UP + MOU

Ms. Ortega, Thank you again for arranging our meeting and for gathering your colleagues to learn about Rings newest approach to reducing crime in communities. It was a pleasure to meet you.

As discussed, the Ring platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is law enforcements access to our Platform. Highlights include:

1. No Cost - Neighbors Portal is free to Law Enforcement
2. Community Engagement - LE's ability to join the conversation (about posted video or in response to posted comments).
3. Alerts - You may post Alerts which are highly relevant (proximity) to the recipient.
4. Video Request - You may request video from Ring device owners relevant to active investigations.

As you review the attached MOU, or if others will be charged with that task, please feel free to contact me at any time. My cell number is 949-690-6979. If there are changes necessary, I can assist with the business language before we submit the document to legal for final approval.

Again, thank you for meeting with me. I look forward to working with you and the La Mesa Police Department soon.

Regards, Ray--

Ring Partners With LAPD To Reduce Crime In Wilshire Park

Ring wants to help reduce crime and increase safety in La Mesa, California

Ring is excited to propose a solution to La Mesa Police Department (LMPD) to help reduce crime and assist with investigations in your community.

Program Description

This program will provide LMPD access to the Ring Neighborhoods platform to communicate with Ring Neighbors and encourage community engagement as we work together to make La Mesa neighborhoods safer.

- The Ring Neighborhoods platform is a digital neighborhood watch that both law enforcement and the public can access free of charge by downloading the Ring mobile app (iOS and Android).
- The app allows Ring Neighbors to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, LMPD may:
 - Utilize the critical crime and safety events that are posted in the app by neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep neighbors informed regarding issues in their neighborhoods.
- In addition, LMPD and Ring may work together to offer subsidized Ring cameras to select parts of La Mesa.

Responsibilities

Ring

- Make the Ring App available to La Mesa residents free of charge.
- Donate Ring cameras to LMPD or area of La Mesa based on the number of qualifying downloads of the app that result from the program. Each qualifying download will count as \$10 towards these free Ring cameras. Ring will seed the program with an initial donation of Ten (10) Ring cameras.
- Make the Ring Neighborhoods portal available to LMPD, free of charge, including support and training for LMPD employees.
- Work with LMPD to obtain data/call logs and publish the relevant incidents in the app based on terms agreed to with LMPD.
- As appropriate, subsidize the purchase of Ring cameras by La Mesa residents as part of a formal subsidy program.

LMPD

- Engage the La Mesa community with outreach efforts on the platform to encourage adoption of the platform/app.
- Choose how the free Ring cameras should be distributed. There are two options.

- Cameras will be donated directly to LMPD. LMPD will in turn distribute these cameras to the community as part of its outreach programs.
- Ring will directly distribute these cameras to the local community, with input from LMPD.
- Maintain appropriate access controls for LMPD personnel to use the Ring Neighborhood Police portal.
- Make data related to LMPD incidents/call logs available to Ring on a mutually agreed upon basis.
- Have the option, but not obligation, to participate in a subsidized camera program.

Term

LMPD's participation in the program shall commence upon LMPD's acceptance of these program terms. Either party may terminate LMPD's participation in the program at any time upon providing written notice to the other party. The Ring Neighborhoods Portal will be available to LMPD within 30 days of execution of this agreement.

Press Release

The parties shall agree to a joint press release to be mutually agreed upon by the parties announcing the partnership between the two entities.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to LMPD without the prior consent of the owner or a properly issued subpoena or search warrant, as applicable. LMPD agrees not to use the Ring Neighborhoods Police Portal other than as expressly authorized by Ring and other than in connection with bona fide LMPD work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Ring app and Neighborhoods Police Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, LMPD shall keep the terms of this program confidential.

**La Mesa Police Department Joins 'Neighbors' by Ring
to Provide Users with Real-Time, Local Crime and Safety Information**
'Neighbor's aims to reduce crime in neighborhoods by connecting people, security cameras and law enforcement.'

The La Mesa Police Department today announced that it is joining the Neighbors app by Ring (available via iOS/Android here: <https://download.ring.com/lamesa> to provide the La Mesa community with real-time, local crime and safety information. The Neighbors network already has millions of users and has been instrumental in catching package thieves, stopping burglaries, and keeping neighborhoods safe.

Residents can download the free Neighbors app, join their neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from their neighbors, local law enforcement and the Ring team.

Walt Vasquez, Chief of Police, said: "As a Police Department, we are always looking for innovative and new ways to reduce crime and the fear of crime. Through our new partnership with Ring and the Neighbors App, we hope to make our citizens feel safer in their homes and community while improving our abilities to bring criminals to justice."

Jamie Siminoff, Chief Inventor and Founder of Ring, said: "We're excited to have the La Mesa Police Department join Neighbors to keep their community up-to-date on local crime and safety information. Over the past few years we have learned that, when neighbors, the Ring team and law enforcement all work together, we can create safer communities. Neighbors is meant to facilitate real-time communication between these groups, while maintaining neighbor privacy first and foremost. By bringing security to every neighbor with the free Neighbors app, the La Mesa community can stay on top of crime and safety alerts as they happen."

How It Works

- Download the Neighbors app on iOS and Android here:
<https://download.ring.com/lamesa>
or by texting 'lamesapd' to 555888 from your smartphone.
- Opt-in to join your neighborhood.
- Customize the geographic area you want to receive notifications for (users must verify where they are located and cannot participate in other neighborhoods).
- Receive real-time alerts from your neighbors, local law enforcement and the Ring team that inform of crime and safety alerts as they happen.
- View local crime and safety posts via a live feed or interactive map.
- Share text updates, photos and videos taken on any device, including Ring's home security devices.
- Work with your community to make neighborhoods safer.

About Neighbors

Neighbors is a neighborhood watch app that provides real-time, local crime and safety information. Download the free Neighbors app (iOS/Android), join your neighborhood, and use the app to: monitor neighborhood activity; share crime and safety-related videos, photos and text-based posts; and receive real-time safety alerts from your neighbors, local law enforcement and the Ring team. Download Neighbors (iOS/Android) today to join your digital neighborhood watch. For more information visit www.ring.com/neighbors.

About Ring

Ring's mission is to reduce crime in neighborhoods by creating a Ring of Security around homes and communities. Ring is an Amazon company. The Ring product line, along with Neighbors by Ring, enable Ring to offer affordable, whole-home and neighborhood security devices and services. In fact, one Los Angeles neighborhood saw a 55 percent decrease in home break-ins after Ring Doorbells were installed on just ten percent of homes. For more information, visit www.ring.com. With Ring, you're always home.
